TOWN INCORPORATION BY JAY WALT

The Town July 4th Celebration is right around the corner (see below!) The true spirit of our Community is proudly put on display. With this as a backdrop, I recently filed with the State for Incorporation which will change our status from a Town to a Village. Assuredly – the long-term positives for Town residents are many.

The most common question I have received is “Why?”

Simply put, our Community provides a high level of services at a responsible, reasonable tax rate. Our sewer and water rates are among the lowest in the state. Every citizen here can reach out to a Town official and get prompt, professional answers to concerns or questions. In short, my Town experiences have shown that “Bigger is not better” when it comes to local governments.

The petition to apply for Village status will protect our borders from encroachment; allow for more local control in zoning; maintain our conservative tax rate approach; and preserve the heart, spirit, and integrity of the Community I raised my family in. See you at the 4th!

FIRE SAFETY TIP

More than 13,000 fires a year start in laundry rooms in the United States, resulting in 10 deaths and \$97 million in property damage. Nearly 4,000 of these fires arise from lint buildup that occurs when people fail to clean their dryer vents. Lint can block the flow of air, cause excessive heat buildup, and result in a fire in some dryers. The US Consumer Product Safety Commission recommends the following measures to prevent dryer vent fires:

- Clean the lint screen/filter before or after each load of clothes.
- Clean the dryer vent and exhaust duct periodically.
- Clean behind the dryer, where lint can build up.
- Replace plastic or foil, accordion-type ducting material with rigid or corrugated semi-rigid metal duct.
- Take special care when drying clothes that have been soiled with volatile chemicals.

firefighters obtain critically needed equipment, gear, training and other resources needed to protect the public and emergency personnel. This last year over 20,000 fire departments submitted a grant application with approximately 1,900 receiving awards. The Town of Brookfield Fire Department has received a \$60,000 grant award. This grant money will be used to purchase two new monitor/defibrillators to replace aging equipment. This upgrade will provide the department with 12 lead cardiac monitoring capabilities on both of our ambulances as well as the engine. In 2010 the department responded to 531 emergency medical calls that required patient assessment and care. On 210 occasions that patient care required cardiac monitoring. These monitors provide cardiac diagnostics that are critical to the on-scene care as well as the care provided by the receiving hospital. EKG's obtained on-scene are transmitted immediately to the hospital so that the appropriate resources and care can be standing by when the patient arrives.

EAGLE SCOUT

An Eagle Rank Presentation Ceremony for Kyle Schaefer was held at St. John's Lutheran Church on January 14. Jim Kieso, the troop unit commissioner representing the Potowatomi Council, presented Kyle with his Eagle Badge. Jeff Gubbins, Kyle's church mentor, gave the presenter's address. The troop presented an impressive scout values candle light and flag ceremony. A reception with refreshments followed.

Kyle lead the organization and implementation of installing 31 nature trail posts at the Wehr Nature Center at Whitnall Park for his Eagle Service Project. He earned 37 Merit Badges

POLICE DEPARTMENT TO MOBILIZE FOR CLICK IT OR TICKET SAFETY BELT ENFORCEMENT

The Town of Brookfield Police Department will team up with hundreds of law enforcement agencies throughout Wisconsin for the Click It or Ticket safety belt enforcement mobilization from May 24 to June 6.

"During Click It or Ticket, our officers will be patrolling in greater numbers and for longer hours, including at night when safety belt use declines. Our objective during the mobilization is not to write more tickets but to save lives and reduce injuries through voluntary compliance with Wisconsin's mandatory safety belt law. However, if voluntary compliance fails, we will enforce the law. We won't accept excuses and you won't get a warning if you are stopped by an officer and are not buckled."

Consistent safety belt use is the single most effective protection against being ejected from a vehicle or thrown around violently inside it during a crash.

"Far too many people are killed or injured needlessly everyday because motorists are not buckled up," "Our ultimate goal is to reduce the number of preventable traffic deaths to zero in Wisconsin. That's why we urge you to buckle up every time you get behind the wheel or ride in a vehicle. However, if you ignore the law and common sense, we'll also be ready to provide you with a very convincing reminder."

PARK & REC NEWS

ART ATTACK

All art classes will be held at Marx Park. Severe weather will cancel classes which will be rescheduled. Register for each class separately; sign up for as many as you would like.

Literary Works: Thursdays, June 23, 30, July 7; 10:00 am - 11:00 am

This is the perfect class for kids who want to write and illustrate their own story. Over the course of three weeks kids will spend time writing a short story from rough draft to final book. They will illustrate it and then all stories will be combined into a book for the kids to take home. All materials will be provided but be prepared come with some ideas in mind for stories. Class is for kids in 2nd through 5th grade. Three, one-hour classes

Paper Crafts: Thursdays, June 23, 30, July 7; 11:15 am - 12:15 pm

Paper isn't just for drawing: punch, fold, cut and craft projects made primarily out of paper. Options to create include cards, origami, tags, photo pages and more. We will even learn a little history about the creation of paper. This class is for kids in 2nd through 4th grade. Three, one-hour classes.

Jazzy Jewelry: Tuesdays, June 21, 28; 12:00 - 1:00 pm

Have a designer on your hands. Maybe a fashion diva? Well give them a creative outlet and let them create earrings, bracelets, necklaces. They will learn basic techniques and build from there depending on interests and skill levels. All materials will be provided. This is for 4th through 6th graders. Two, one-hour classes.

Art Survey: Tuesdays, July 12, 19, 26, August 2, 9; 11:00 am - 12:00 pm

This five week course is great to let littler ones make a mess and try new things while not having to clean up the mess yourself. Materials will include the traditional ones like paints and paper but branch out into found objects and other fun items. The goal is to let kids create projects while exploring what options are out there in the art world. All materials will be provided. This class is for 5 year kindergarten through 2nd grade. Five, one-hour classes.

WHERE: Marx Park

FEE: \$25 per course

TENNIS

Some openings remain for our always-popular tennis lessons at Marx and Wray Park. Check the Rec Guide and call in to check availability for Session I (June 13-23), Session II (June 27-July 8), and Session III (July 11-22). All levels of player can be taught so sign up today. Only \$30 per session.

CARP-O-RAMA

Carp O' Rama is back and will take place at Brook Park on Saturday, June 4 from 8:30—10:30 am. This free fishing contest is open to kids ages 4—12 and will include prizes for longest fish caught in several age categories.

Bring your pole and some bait and get ready for some great fishing action! Pre-registration is required before June 2. Call 262-796-3781 or email parkrec@townofbrookfield.com. Volunteers also needed.

TRUCK DAY

An annual event has been spawned! On Saturday, August 20 from 10 am - noon, we will once again have fantastic trucks, equipment, and tools to check out at Marx Park. Mother's & More will provide great food this year including hot dogs, chips, soda, water, bakery items, and raisins. Check the website for more information.

FALL SOCCER

4 year old and 5/6 year old soccer registration will take place August 9—25. The season will run approximately September 6—October 14 at Wray Park. Participants can sign up for both the Fall and Spring season at this time if they wish. \$40 for both Fall and Spring seasons; \$25 for Fall only.

Teams will practice/scrimmage once per week in the evenings with coaches determining the night of practice (become your child's coach and you get to choose!)

There is immediate registration for all of these courses. Go to town hall for forms and to complete registration.

BIG SPLASH DAY

PRESENTED BY WATERSTONE BANK

Who needs a pool!! Beat the heat and come to Marx Park for a day of wet, wild fun!! Bring your squirt guns (the bigger, the better), water balloons, and your swimsuits and get ready to **get wet**. We will have hoses and sprinklers to keep the water flowing and plenty of places to fill up water balloons and squirt guns. Refreshments will be provided for everyone to keep the insides as wet and cool as the outsides. Bring the whole family down for the day. We'll run around in the sun and have tons of fun!

VON MAUR

Von Maur department store recently announced their intent to be the anchor tenant of a new \$120 million dollar open-air retail/office complex on Bluemound Road in the Town of Brookfield.

The project will ultimately create hundreds of local jobs, offer shoppers an unparalleled retail experience like none other in the state of Wisconsin, provide businesses exceptional I-94 visibility and access, enhance property values, stimulate additional redevelopment, and secure the future of the entire Bluemound Corridor as a regional shopping destination.

This project is exactly the kind of project that the Town of Brookfield Board envisioned several years ago when we embarked on a master redevelopment plan, and is just the type of project we hoped to lure by keeping our tax rates one of the lowest in the county, retiring all debt by 2012, while still offering top-notch municipal services.

We thank Von Maur, Marcus Corporation and the development team for their vision in choosing the I-94/ Bluemound location. And we look forward to Von Maur grand opening in summer 2013!

GOVERNOR WALKER SIGNS TIF BILL INTO LAW

With the Von Maur project looming, history was made when Governor Scott Walker visited the Town Hall to sign a Developmental TIF District bill into law. This law will allow the town to use financing tools for infrastructure upgrades to attract new businesses into the town. It was an exciting day and was momentous for the town's future.
