Fusion Frenzy

Wednesday, March 23; 6:30 - 9:00 pm

With so many places where you can enjoy a good meal, it can be overwhelming to try new foods and flavors. One way to breakdown the options is to select a specific food that you want to try. To get the best of both worlds though, you can always look into trying food fusions. Food fusion is currently one of the trendiest forms of cooking. Combining culinary traditions from at least two different countries or regions into one dish, fusion foods put a new twist on favorite food staples. I've created a few fusion recipes I'd like to share so tonight you'll sample...

- *Korean Bulgogi Tacos*
- *Thai Red Curry Risotto*
- *Spanakopita Quesadillas with Tzatziki*

Latin Comfort

Monday, April 25; 6:30 - 9:00 pm

We get it; all you want do after work is curl up with a warm bowl of soup or a heaping helping of mashed potatoes, under a blanket and in front of Netflix. There's really nothing better about this time of the year than being able to indulge in comforting dishes, but there is a way to make that experience superior: by trying a few Latin-inspired recipes that will not only warm your body but also your soul. You'll sample...

- *Poblano-Corn Chowder with Pico*
- *Latin chopped salad with hearts of palm, jicama, and avocado with a Creamy Avocado-Lime Dressing*
- *Bolillo Rolls using a make-ahead dough*
- *Mexican Hot Chocolate with Guajillo Chile*

Steak!

Wednesday, May 18; 6:30 - 9:00 pm

May is National Beef Month so we are going to prepare one of the most popular cuts of steak...sirloin!

We'll pair it with a few sides and get you ready for summer grilling season. You'll sample...

- *Hearts of Palm Salad with White Balsamic Vinaigrette*
- *Seared Beef Tenderloin with Chimichurri Sauce*
- *Bacon & Potato Hash*
- *Strawberry-Rhubarb Tart*

Thanks for registering for Town of Brookfield Park & Recreation Department activities. The safety of our participants and instructors is vitally important and of primary consideration when putting together these programs.

The following guidelines have been developed on Waukesha County Health Department, Wisconsin Department of Health Services and Centers for Disease Control (CDC) recommendations.

These guidelines are constantly changing and we will update you with changes as necessary. **Personal responsibility remains critically important during this time to keep your family and community healthy.** Please discuss these guidelines with your family and help them understand the importance of making good choices.

- **Self quarantine:** Participants and family members that show symptoms of viral infection (i.e. cough, shortness of breath, fever, chills, etc.) should not attend any classes. At-risk individuals, especially the elderly, should refrain from attending classes.
- **Social Distancing:** Where possible, class sizes have been reduced to allow for smaller groups. Please practice social distancing of at least 6 feet wherever possible.
- **Masks:** Masks are recommended for all activities and are required for any indoor classes.
- **Hygiene/Hand Washing:** Please wash hands frequently and use alcohol-based sanitizer. Please bring your own supply of these sanitizers.
- **Water bottles:** Individuals should bring their own water bottles and refrain from sharing or using drinking fountains, if possible.
- **Food:** Participants, parents, and instructors should refrain from eating while attending any class
- **Class equipment:** Equipment will not be shared as much as possible. Individuals are encouraged to bring their own equipment. All attempts to sanitize equipment will be made.
- **Hands-On Practice:** For some programs, parents may be asked to help with instruction to assist their child to minimize instructor contact.

Dogs are not allowed at Marx or Wray Parks but are welcomed at Brook Park. Please respect our park users and keep those pups at home. There are several dog parks in the area that are fantastic!
